

# *Doplas Enterprise Co., Ltd.*

Plastic recycling machine/ PHR-EN series, PNR-XP series  
Bag blowing machine/ PIT series, DMB series, PP series  
Peripheral accessories for plastic film blowing and recycling machine

**D**OPLAS ENTERPRISE CO., LTD., established in 1995, is one of the leading manufacturers of various plastic extruders including plastic waste recycling machines, bag making machines and peripheral equipment.

The main products are waste bag recycling machines PHR-EN series and PHR-END series, featuring high production capacity, low noise, manpower-saving and adequate safety facilities, which all reduces the impact on the environment.

The majority of DOPLAS' products are exported to Central and South America, the Middle East, Europe, Southeast Asia and more.

With high quality, competitive prices, self-branding geared towards strengthening its after-sales service, DOPLAS has built up a world-renowned reputation among its buyers.
