

Lih Kuoh Enterprise Co., Ltd.

Embroidery, metal badges, embroidery patch, embroidery keychain, embroidery coaster, lanyards, giftware

Ever since its inception in 1990, Lih Kuoh Enterprise Co. has strived to promote embroidery products and giftware that incorporate Chinese traditional arts and along with Western cultural elements.

The company is technologically supported by its parent company, Ta Cherng Embroidery Co., one of Taiwan's top embroidery manufacturers, which operates an ISO-9001-approved plant in northern Taiwan. The plant employs a full line of modern production equipment and skilled designers to achieve consistent quality.

Lih Kuoh has built up an efficient manufacturing network in cooperation with subcontractors from different sectors across the Greater China region, thereby attaining economic production efficiency and assuring customers of rapid, on-time delivery and competitive prices.

Supported by its extensive know-how in embroidery manufacturing and craftsmanship, the company supplies a wide spectrum of clothing accessories and giftware including embroidered patches, metal badges, chenille, appliqués, epaulettes, flocking crafts, embroidered flags, woven labels, key chains, bookmarks, 3D solid foam images for phone holders and cotton bags, coasters, lanyards, calligraphic pictures, and frames. It also offers electronic products such as time recorders and check writers.

For its embroidery products, the company can carry out optional processing to meet customers' requirements. For

example, patch can be processed to be heat sealed or to have plastic, fleece, or fabric attached to the back, while its border can be trimmed by merrowing, scissor cutting, hot-knife cutting, or die cutting.

In addition, the company gives its customers the option of a vivid exterior designs with different finishings. The metal badges, for instance, are available in cloisonné, imitation cloisonné, die struck without coloring, soft-enamel photo-etched, and printed and soft-enamel die-struck models.
