Office furniture accessories

Ever since its inception in 1996, Hsiang Fu Chia Enterprise Co. has devoted itself to the production and export of office furniture accessories, and over the years has built up a solid reputation in the global market.

At its 4,000-square-meter factory in Changhua, central Taiwan, the company turns out a wide variety of high-end office furniture accessories; all of the products are exported, mainly to the United States, Australia, and Europe.

Backed by well-seasoned expertise and experience, Hsiang Fu Chia is capable of developing different kinds of molds needed to manufacture innovative products using its advanced production equipment.

Constant efforts to upgrade the quality of products helped Hsiang Fu Chia win GS certification from Germany's TUV in 1992. Since that time, the company has worked even harder to improve its manufacturing processes and has devoted even more attention to R & D so as to keep up with GS standards, which are regarded as guaranty of product safety.

The company provides both OEM and ODM services, and accepts other customer-oriented orders as well. To assure high quality, it devotes much attention to stringent manufacturing processes and the application of advanced technologies.

With a supreme regard for customer satisfaction backed by consummate production capability, Hsiang Fu Chia promises competitive prices, prompt delivery, and considerate services.

Over the years the company has built up strong relationships with its clients and never ceases in its effort to find new ones. It welcomes inquires and all orders, including trial orders.
