

Autopax Supplies, Ltd.

Auto switches, mirrors, LED lights, sirens, horns, forklift parts

Founded in 1995, Autopax Supplies, Ltd. is a versatile purchasing agent for international clients in automotive parts and accessories. The firm claims that its logo, a red smiling lion, accurately represents the corporate spirit: red being enthusiasm, smile being friendly service, and lion for boldness and vigor.

Autopax exports products to customers in more than 20 countries and the number keeps rising, supplying mirrors, LED lamps, LED beacons and flashing modules, security siren and horn items, electrical parts (such as switches), forklift parts, and much more.

As a one-stop supplier, Autopax works closely with many quality manufacturers in Taiwan and China, and therefore can offer wide-ranging parts. Most

important of all, the supplier stresses that, with a comprehensive sourcing network, it can satisfy all customers' needs with very competitive prices. "Our one-stop-shopping" service makes global customers' purchasing job easy", claims Autopax.

The firm aims to become a global trading platform for auto parts and accessories with the highest cost/performance (C/P) ratio, through providing the latest market information, best-quality products, fastest delivery, and professional services.

Based on the motto "Your Satisfaction is Our Mission," the firm welcomes inquiries from global customers any time.
