

Alfon Ent. Co., Ltd.

Acrylic home decoration, display racks, gift items, and furniture products

With a history of over 30 years, Alfon Ent. Co., Ltd. is a leading manufacturer of acrylic products covering a wide range of home decoration, kitchenware, bathroom sets, display racks, and gift items.

The company operates a modern plant in Kaohsiung, southern Taiwan equipped with sophisticated machines including laser cutting machines, CNC automatic lathes, label printing machines, diamond polishing machines, and pressers. Its strong R&D team and skilled workers develop and turn out innovative high-end products to meet the strict demands of clients around the world, mainly in Europe and Japan.

With a long-term commitment to the development of pioneering products, Alfon has won a solid reputation in the international market and kept a steady flow of orders coming in. In addition to paying strict attention to quality, the company offers its products at competitive prices and delivers them promptly.

“We generate products mostly on an OEM basis, but we also make self-developed products to meet special demands,” a senior official at the company says. “We sell our products globally to such famous brands as Omega, Mont Blanc, Armani, Mac, Disney, Nest, and Agrous.”

By constantly sharpening its manufacturing and R&D skills, Alfon has built up the robust and flexible manufacturing capability it needs to fill special orders of all kinds. After years of service, it has established a solid niche in the global market.
