## Extension cords, power strips, USB extension cables

Chiz Crown Co., Ltd. has accumulated decades of experience as a specialized supplier of extension cords and power strips.

In its early years the company produced sewing machines and provided local customers with professional services in the design and development of extension cords, but later on switched its full attention to making various kinds of extension cords and power strips. After years of hard work, the company is today one of Taiwan's professional suppliers of its kind.

Chiz Crown owes its current success to a concentration on high safety and practicality in the products it supplies. Backed by its store of know-how in electrical engineering and manufacturing, the company consistently concentrates on R&D in materials and product design to make sure that its new products have the excellent functionality and quality they need to satisfy the market.

Integrated production from design, prototyping, and molding to manufacturing and packaging is also among Chiz Crown's competitive advantages. It has a solid line of manufacturing facilities in house, including riveting machines, ultrasonic machines, vertical injectors, punch presses, terminal crimping machines, pneumatic punch presses, wire strippers, and hot transfer printing presses, among others. This integrated operation is guaranteed to satisfy Chiz Crown's customers with consistent quality, high manufacturing efficiency, and on-time delivery.

The company's product portfolio encompasses a variety of household power strips, PC extension cords, automatic power-off power strips, and USB extension cables for PCs and power strips with safety pull rings. This top-notch supplier welcomes OEM (original equipment manufacturing) and ODM (original design manufacturing) partnerships all around the world, especially from Japan.
