

# Liveshiner Enterprise Co., Ltd.

## HID work lamps for machinery and other applications

**H**eadquartered in central Taiwan's Taichung City, Liveshiner Enterprise Co., Ltd. is a specialized manufacturer of top-quality HID work lamps that are widely used with machinery, in gardens, for camping and fishing, and on fishing boats and yachts, among other applications.

Liveshiner offers two HID work lamp models, the LS-1250 (AC 120V; DC24V) and LS-2250 (AC 220V; DC 24V), which feature high lumen value and multiple functions. The lamps come in power ratings of AC 90V to 260V (47~64Hz) and DC 24V, are fog-proof, IP65-rated water- and dust-proof, eco-friendly, and energy-efficient, using 50W bulbs with a 3,000-hour life cycle.

Their strong light source and high efficiency, coupled with their compact size and user-friendliness, make these lamps ideal for use as searchlights.

As a manufacturer and exporter, Liveshiner provides OEM, ODM, and OBM services to better serve customers all over the world. Already widely known for its quality products and finest of services, the firm works constantly to improve its products and strive for excellence.

### High Lumen Value
