

The Poseer Enterprise Co., Ltd.

IR-sensor faucets, urinal flushers, soap dispensers, stainless steel restroom hardware.

The Poseer Enterprise Co., Ltd. is a veteran company specializing in designing, developing and manufacturing infrared (IR)-sensor faucets and bathroom fittings. After decades of business development and due to its high-quality products with advanced functionality, the firm has grown into a leading player in Taiwan.

The company supplies a wide range of IR bathroom fittings and ware, including automatic faucets, urinal flusher and valve systems, sensor soap dispensers, non-aerosol dispensers, air fresheners etc., making it a Touch Free Restroom solution provider. In addition, The Poseer also supplies a complete lineup of stainless steel products for washroom, including jumbo roll dispensers, towel paper dispensers, multi-roll toilet dispensers, soap dispensers, waste receptacles, hand dryers, bathroom basins among others.

The Poseer is very proud of its strong R&D capability built on long-term global customer feedback and constant devotion to pursuit of better and more advanced designs and technologies. In addition, the company has built a name among buyers for rapid delivery, product quality and innovation.

To best meet global customers' requirements, The Poseer has set up a bathroom product manufacturer alliance, namely Bontly, which specializes in bathroom ware and fittings made of stainless steel to boost the global profile of alliance members.
