

Kin Chia Shun Enterprise Co., Ltd.

Irrigation and gardening
tools and parts,
sprinklers, nozzles,
brass tap adaptors,
hose connectors, and
accessories

Founded in 1990, Kin Chia Shun Enterprise Co., Ltd. is a specialized manufacturer of irrigation and gardening tools in Taiwan, backed by over 20 years of experience in providing specialized service, products of consistent quality, short lead-time, and competitive prices.

Kin Chia Shun's mainstream products are sprinklers and nozzles as plastic/metallic/brass impulse sprinklers, sprinkler sets, plastic nozzles (4-/7-pattern, 7-pattern torch), and twist nozzle sets.

Other irrigation and gardening tool parts available include zinc/plastic spikes (1-way, 2-way), zinc step spikes, zinc bases (sled, 2-wheel), H-shaped plastic bases, brass/plastic tap adaptors (1", 1/2", 3/4"), plastic/brass insert adaptors (1/2"~3/4"), plastic tool adaptors (3/4", 3-section), snap-in couplings (Y-shaped, 2-way), plastic 2-way shut-off valves, 1/2" plastic hose menders, and many more.

Focusing on global markets, Kin Chia Shun exports 90% of output to Africa, Europe, Asia, the Middle East, North and South America, and Oceania. To fully meet customer needs, the firm offers OEM, ODM and OBM services, also welcoming inquiries for more details.
