

# Hsiang Wen Acrylic Fine Goods Enterprise Co.

Acrylic products including sheets, display racks, cosmetic display shelves, lipstick racks, magazine shelves

Founded in 2002 in Tainan City, southern Taiwan, Hsiang Wen Acrylic Fine Goods Enterprise Co. is an ISO 9001- and TAF-certified manufacturer of acrylic products using specialized processing equipment as CO2 laser cutting machines. With its accumulated know-how, the firm constantly develops new products to meet market demand.

The company's product line encompasses a variety of acrylic items including sheets, thick sheets, tubes, racks, rods, beads, balls, display racks, cosmetic display shelves, lipstick racks, magazine shelves, storage boxes, paperweights, pen holders, desktop storage boxes, indoor light boxes, trays, clothes hangers, magnetic clips, character figures, medals, and many more. It also handles laser cutting, screen printing, plastic injection molding, hot stamping, PC-based cutting & plotting, 3D engraving services, etc.

Noted for supplying quality products and services. Hsiang Wen has gained a firm foothold in global markets. Committed to consistent quality, customer-oriented service, and integrity, Hsiang Wen offers reasonable prices and customization services to fully satisfy its customers. It welcomes inquiries about joint marketing.
