

We Tools Co., Ltd.

Hand riveters, heavy-duty hand riveters, manual rivet-nut tools, and kits

Set up in 2010 with over 20 years of experience in making hand riveters, We Tools Co., Ltd. supplies mainly hand riveters (including heavy-duty models), manual rivet-nut tools, and kits.

With seasoned R&D capability to turn out TÜV SÜD certified products for major economies, the company welcomes OEM and ODM orders.

Capable of developing molds in-house, We Tools produces assorted hand riveters (2.4mm~6.4mm) out of aluminum and ferrous sheets to handle aluminum, steel, and stainless steel.

The company provides diverse kinds of packaging to add product value, including plastic case with handle, blister card with blind rivets included, single unit in blister card, etc. It also accepts retailer orders for different packaging combinations.

A manufacturer who always meets customer needs, We Tools exports all its Taiwan-made output globally. Buyers and traders interested in top-end hand riveters and kits are welcomed to inquire further.
