

Chan Ta Feng Auto Products Co., Ltd.

»»» Auto accessories, multipurpose storage bags, car chargers, side-view mirrors, wide-angle mirrors etc.

Chan Ta Feng Auto Products Co., Ltd. is an innovative developer and maker of a wide range of high-quality auto accessories, claiming all its products are 100% "Made-in-Taiwan."

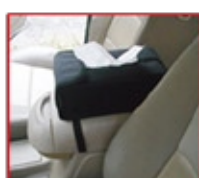

The maker was established in 2000 and soon became a major supplier to various automakers in Taiwan, thanks to its strong design and development capability. In recent years, the firm has also directed more attention to designing, developing, and manufacturing products for customers worldwide on an OEM/ODM basis.

With strong support of in-house R&D and manufacturing capability, as well as know-how in different materials and an integrated strength achieved by closely cooperating with a group of quality satellite plants, Chan Ta Feng supplies

side-view mirrors, wide-angle mirrors, multipurpose storage bags, car USB chargers, triple-socket car chargers, reflectors, moldings, cargo nets, luggage nets, car seat cushions, and car cleaning products, all of which are of top quality to appeal to different global markets.
