

GLOSO TECH

YOUR PROWER, PROTECTED

..... YOUR CHOICE OF CIRCUIT PROTECTION

GLOSO Tech Inc., founded in 1985, is a TS16949 and ISO9001 certified manufacturer of quality switches and circuit protection products, and a true leader in the low-voltage and overload voltage application market. We design, manufacture and assemble in-house backed by the best R&D, production and engineering teams in the industry. Our products meet the safety standards of UL, ISO, SAE, TUV, RoHS and ENEC. With three sales offices in Taiwan, two sales centers and two factories in China, we also offer OEM and ODM.

The company's hydraulic (A, J and S-Type) and thermal circuit breakers (E, L, W) are designed for electric home appliances, power tools, telecommunication systems, healthcare equipment, industrial testing equipment, marine and automotive markets.
