

Chadox Precision Ind. Co., Ltd.

Hydraulic chucks, pneumatic chucks, manual chucks, super thin chucks, steel body chucks, DIN chucks, parts, and accessories

Founded in 1983, Chadox Precision Ind. Co., Ltd. is a specialized Taiwanese manufacturer and designer of wide-ranging chucks, who exports globally under its own CHADOX brand. Known for offering quality, innovative products, the firm has built a firm foothold in the field.

Always focusing on innovation, the company won the 8th Taiwan SMEs Innovation Award in 2001, as well as being ISO 9001 and CE-mark certified. Backed by well-trained employees and advanced equipment, the firm keeps developing and improving production techniques, and executing all production in its own factory. With a sound marketing plan, the firm is committed to customer-oriented service, and willingly accepts OEM/ODM orders.
