

Guangzhou Longfu Senhai Auto Part Department

Auto parts and accessories for Mini Cooper

Guangzhou Longfu Senhai Auto Part Department is a young and innovative company specializing in designing, developing and making a variety of parts and accessories for Mini Cooper.

Senhai claims to always pursue high quality and innovation to provide the best products to customers. The company owns a very strong in-house R&D team of energetic, talented and experienced professionals, who steadily collect the latest market information and trends to integrate into new-product designs and innovations. As a result, the firm's attractive items for Mini Cooper often set market trends..

Senhai supplies a very comprehensive range of Mini Cooper parts and accessories, including mainly decorative items such as side-mirror covers, rearview mirror covers, exterior and interior door handle covers, instrument-panel decorative items, lamp frames, electro-plated trims, Mini Cooper logs, foot pads, glove box clapboards, doorknob stickers, door lights, door lock pins, and many other innovative items.

By being Mini Cooper dedicated, Senhai has become a specialist of its kind in the global market, supplying quality products to major customers in Europe, North America, Japan, Association of Southeast Asian Nations (ASEAN) etc. The firm is also a major supplier of such products in China in partnerships with various big 4S (Sales, Spare parts, Service, and Survey) chains.

Senhai claims to make all its products with eco-friendly materials and production techniques; while the company accepts custom-development and mass-volume orders according to customers' specifications and requirements. Maximum monthly production volume is about 1,000 sets.

The maker also provides satisfactory pre- and after-sales services to global customers, inviting buyers' inquiries for further information about product details and custom-development projects.
