

Tai Tong Metal Industrial Co., Ltd.

*Door/window/car keys, colored locks, colored keys,
furniture keys, motorcycle keys, safe keys*

Founded in 1985 as an OEM/ODM supplier, Tai Tong Metal Industrial Co., Ltd. specializes in making locks and keys for a wide range of items. It has been providing high-quality products for over 25 years.

The company's product line encompasses door, window, car, furniture, motorcycle, and safe keys with brass, white copper, aluminum alloy, plastic, and coated heads; colored locks and keys; and padlock keys, among other items.

Committed to innovation and top quality, the firm invests generously in production equipment and R&D; it constantly improves its production processes, and offers top-grade products made of quality materials. Backed by its abundance of experience, the company is capable of making whatever kind of key blanks its customers need.

Tai Tong has penetrated the global market, receiving orders from the U.S., Canada, Germany, Italy, Turkey, Mexico, Australia, New Zealand, Japan, South Korea, and Singapore. With a consistent focus on quality control and dedicated service, the firm is ISO9001- and SA8000-certified and has built a solid reputation in its field. It sincerely welcomes OEM and ODM orders from global customers.
