

# EAGLE EYES Traffic Ind. Co., Ltd.

Headlamps, Tail lamps, Corner lamps, Side lamps, Bumper lamps, Fog lamps, Center high-mounted stop lamps and daytime running lamps (DRL)

Founded in 1978 and engaged in development and production of high-quality automotive lamps, Eagle Eyes Traffic Ind. Co., Ltd. supplies a comprehensive range of products, including headlamps, tail lamps, corner lamps, side lamps,

bumper lamps, fog lamps, center high-mounted stop lamps, and LED daytime running lamps (DRL), widely reputed as a veteran, specialized manufacturer of this kind in Taiwan.

TAIWAN  
EXCELLENCE  
2017

The company provides an unmatched range of both aftermarket (AM) and performance-tuning products in compliance with the standards as E-Mark, DOT, CAPA, etc., and always make its utmost effort to develop new products and upgrade its competitiveness.

To that end, Eagle Eyes constantly invests in upgrading production equipment, R&D facilities and quality testing instruments, to make sure its products measure up to strict quality requirements. With the efforts paying off, the company is certified with TS16949:2009, ISO9001:2008, CAPA and AQRP, while its laboratory is accredited to perform environmental and photometric test in compliance with the international standards as DOT and CAPA.

Eagle Eyes holds to an uncompromising stance on product quality, aspiring to satisfy its customers with the best value, most complete product mix and finest service. Underpinned by its belief that customer satisfaction is always the highest priority among other tasks, the firm is devoted to continuous improvement of its R&D and production capabilities, and has effectively won Taiwan Excellence Award for two consecutive years in 2015 and 2016 to further drive its profile in the line.
