

Cyun Hong Enterprise Co., Ltd.

Casters, wheels, adjustable legs, trolleys, carts, metallic accessories, rollers, ESD casters, industrial casters, heat-resistant casters

Founded in 2012 in central Taiwan's Taichung City, Cyun Hong Enterprise Co., Ltd. manufactures with design and planning based on precision and practicality to supply high-quality, high-efficiency casters under the CH brand. Backed by 15 dedicated staff, the firm develops products that fully meet demands, and has built sound partnerships with customers.

Focusing not only on product stability but also safety and user-friendliness, Cyun Hong uses CAE to help analyze and modify during design while partnering with academia. The materials it adopts are all RoHS-approved and SGS-tested to comfort and satisfy customers.

The company's product line encompasses casters, carts, wheels, and metallic accessories, including adjustable legs, trolleys, rollers, casters for healthcare & hospital carts, ESD casters, industrial casters, heat-resistant casters, special-purpose casters, heavy-duty casters, stainless-steel casters, POM casters, flexible rubber casters, PU casters, shock-absorbing casters, oil resistant rubber casters, dual-wheel PU rubber casters, aluminum-alloy hinges, stainless-steel handles, among other items.

Having successfully developed markets worldwide, Cyun Hong generates over US\$990,000 in annual revenue, offering specialized, quality service and welcomes inquiries for more details.
