

Genius Tools (Tian Fu Industrial Co., Ltd.)

Hand and Impact Sockets, Master Sets, Air Tools, Screwdrivers, Wrenches.

Genius Tools (Tian Fu Industrial Co., Ltd.), established in 1975 in Taichung City, central Taiwan, is a renowned brand for hand tools and pneumatic tools with firm footholds and good reputation in overseas markets.

Genius Tools offers over 9,000 different kinds of tools and accessories, including impact sockets, hand sockets, bit sockets, screwdrivers and bits, impact wrenches, torque wrenches, pliers and aviation snips, hammers, hand tool sets and roller cabinets, tool displays and organizers, auto repair tool sets, workstations, display stands, magnetic trays, pick-up tools, magnetic bars, etc., mostly for professional purposes.

Genius Tools has exported to over 84 countries, where its products are sought-after by end-users in automotive, hardware, heavy industries, mining, shipbuilding and other manufacturing-related sectors. The supplier, with offices and warehouses in North America, Asia and Europe, has built an extensive distribution network to ensure customers on-time delivery and timely services.

Success of Genius Tools is sustained by a strong commitment to making unique tools with exceptional quality and innovative functionality. The supplier boasts excellent engineering talent, consummate production skills and integrated production lines, coupled with by-the-book quality control from material inspection to on-the-spot and pre-delivery checks in-house. Another feature of Genius Tools' s products is user-oriented design, achieved by continuous improvements based on invaluable feedback from customers and end-users.

Noted for offering top quality coupled with affordable prices, Genius Tools is dedicated to providing efficient, durable and cost-effective solutions to professional users worldwide.
