Pruning Saws, Folding Saws, Bow Saws, Coping Saws, Snow Saws, Saw Blades, Pruning Shears, Hammers, Camp Axes

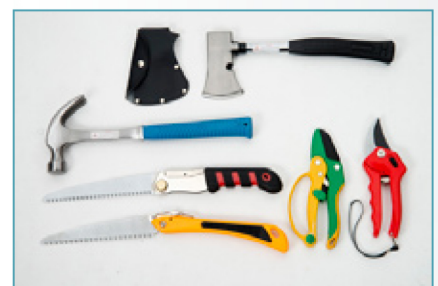

Ever Set Industrial Co., Ltd. has worked on the production and promotion of hand tools for various purposes for over 30 years, ever since it was established in 1983.

Underpinned by its core principle of satisfying every need of each buyer and end-user, the company insists on using only top-grade materials that assure its products of high quality while also bringing customers punctual delivery and competitive prices. To further guarantee consistent quality, all of its products are 100% made in Taiwan.

Ever Set's product portfolio encompasses a variety of Pruning Saws, Folding Saws, Bow Saws, Hand Saws, Sport Saws, Coping Saws, Snow Saws, Saw Blades, Scalloped Blades, Pruning Shears, One-Piece Hammers, Claw Hammers, Hatchets, and Camp Axes. Exported all over the world, the products have proven popular with DIY users and professionals alike for use in home improvement; crop, fruit, and coffee farming; gardening; camping; construction; and hunting and leisure activities because of their practical design and high quality.

Pruning Saw is among the company's most popular products with end-users. Pruning saw blade is made of hardened and tempered high carbon steel, with triple-edged teeth for cutting all of the crops, especially the coffee tree branches. For high stability and cutting efficiency, the blade is firmly fastened with two screws to a wooden handle. The blade is finished with baked lacquer to impart a premium image.

In addition to OEM (original equipment manufacturing) and ODM (original design manufacturing) operations, Ever Set also welcomes long-term partnerships on an OBM (original brand manufacturing) basis.
