

Xu Bang Auto Supplies Co., Ltd.

**Suspension parts, engine parts, rubber parts,
fuel pipes, brake hoses, etc.**

.....

Founded in 1990, Xu Bang Auto Supplies Co., Ltd. has developed into a veteran manufacturer of automotive chassis and rubber parts for almost all major car makes and models. The firm deals in several major product categories, including automotive high/low-pressure rubber hoses and oil and brake hoses.

Xu bang kicked off its business as a contract supplier to domestic manufacturers, and in the years since its birth has grown into a major integrated player with full capabilities in design, development, and fabrication. To keep its competitiveness growing ever stronger, the firm constantly purchases the latest equipment and upgrades its core technology to assure better product quality and production efficiency.

With a priority emphasis on quality, Xu Bang insists that it always pays close attention to quality control throughout entire production process so as to offer superb-quality, reasonably-priced products that will enable it to achieve sustainability and better serve its customers.

The company welcomes proposals for OEM/ODM projects, and is confident in its ability to achieve a win-win situation with all of its customers.
