

(Target Valve) Yueng Shing Industrial Co., Ltd.

Ball valves, flanged ball valves, sanitary ball valves, multi-way ball valves, stainless steel balls, strainers

Since its establishment in 1990, (Target Valve) Yueng Shing Industrial Co., Ltd. has been devoted to manufacturing and supplying valves and pipe fittings for over 20 years as a world-caliber maker.

This maker provides a wide range of valves and fittings, including ball valves, flanged ball valves, 3-4-5 way ball valves, sanitary ball valves, stainless steel balls and fittings, Y-strainers, check valves, gate valves, butterfly valves, needle valves and globe valves, as well as extrusion parts in PVC, PE, PC, ABS, HIPS, TPR, EVA and other plastics.

The firm's products are widely accepted in oil and gas, chemical, petrochemical, food, beverage, refinery sectors worldwide, and some are supplied under its own brand. They are noted for qualitative consistency and high precision, achieved by excellent engineering capability, know-how of precision production, and sound quality controls applied in-house.

Dedicated to continuous improvement, the company consistently upgrades manufacturing processes and work environment through total employee involvement and strict adherence to fair business practices. By doing so, it offers unparalleled quality and efficiency, backed by excellent, skilled workers with strong loyalty and sense of responsibility.

Further proof of the supplier's commitment to quality is its modern factory, comprised of machine lines, assembly lines, quality control and verification, and customer service departments, all of which having passed ISO9001:2008 and PED97/23/EC certification.

With honed production, engineering and quality control capabilities, the company also accepts OEM (original equipment manufacturing) and ODM (original design manufacturing) orders.
