

S.H.C. Mirrors Co., Ltd.

»»» Metal/pine/aluminum mirrors, stand mirrors, bathroom mirrors, glass furnishing and more

S.H.C. Mirrors Co., Ltd., founded in 1975 in central Taiwan, specializes in mirrors and glass furnishing, console tables, metal/pine/aluminum mirrors, and umbrella stands that are supplied on original equipment manufacturing (OEM), original design manufacturing (ODM), and own brand manufacturing (OBM) basis.

Initially the company supplied handmade mirrors with only three workers, then, with added equipment, began providing processing services including cutting, grinding, printing, shatter-proof treatment, and crack-reparation.

Now the company counts American, English and Japanese buyers among its customers not to mention hypermarkets in Taiwan, with 70 percent of sales coming from exports.

S.H.C. is known for emphasizing innovation, safety and quality of products by using particular characteristic of wide range of materials to achieve features as shatter-resistance.

The company adheres to stringent quality control and processing management to turn out products meeting specs, having built solid technical strength by using efficient manufacturing equipment and via support of well-trained R&D specialists.

The company consistently releases new products to keep up with market trend and create opportunities for customers. Quality, on-time delivery and competitive price are the company's primary advantages.
