

Ningbo Mammoth Hardware Products Co., Ltd.

Hose nozzles, hose connectors, hose guides, spray guns, sprinklers

The China-based Ningbo Mammoth Hardware Products Co., Ltd. is a specialized developer and manufacturer of hardware and accessories mainly for gardening, with a factory each in China and Taiwan.

The company's product lineup covers a full range of watering or irrigation products, including hose nozzles, hose connectors, hose hangers, stationary sprinklers, hose repair kits, floral-shaped hose guides, rain gauges with holders, spray guns, plastic rooster wind vanes, vinyl hose washers, spring hose sets, adjustable multifunctional water sprayers, fabric hoses, double-end adaptors, coil tubes with hoses, pattern plastic heads, etc.

The company has exported products all over the world, including Europe, the U.S., Canada and Australia.

The firm's current achievement in the global market is attributable to its strenuous effort on continuous improvement of production capability. With the effort paying off, the firm has effectively integrated its manufacturing resources across the Taiwan Strait to boast highly efficient production, therefore capably handling integrated production from mold development, design to plastic injection through packaging in-house.

Backed by the strength mentioned above, the firm offers customers competitive prices and on-time delivery, hence building success in the line.

Drawing on its rich R&D know-how and abundant manufacturing experience, this maker has also established a solid reputation as a competent OEM (original equipment manufacturer) and ODM (original design manufacturer) among global buyers (SC)
