

# Shopin Lock Co., Ltd.

▶▶▶▶ Spare key boxes, combination padlocks, hitch locks, attached case locks, cam locks

Founded in 1978, Shopin Lock Co., Ltd. specializes in developing and making locks and accessories as one of foremost makers in Taiwan.

The company's product range covers a variety of combination padlocks, cam locks hitch locks and attached case locks, combination slide bolts, security bars and key boxes. Drawing on state-of-the-art CAD and CAM technologies, the R&D-driven manufacturer has also launched electronic locks and improved dual-cylinder padlocks to widen product diversity, as well as consistently improving and developing different locks to meet market demand for economical locks with unbeatable security and high added value.

Committed to quality, the company, already ISO9001: 2008 and TSA certified, claims all its products are manufactured in Taiwan, tested by TUV and SGS, and meet international standards, with such efforts making the product line popular worldwide and 90% of output exported to the U.S., Europe and Japan.

With over 33 years of expertise and customer satisfaction, the company is a world-caliber OEM and ODM, and increasingly OBM in recent years, whose Shopin-branded products are trusted in many countries.
