

Show Each Industry Co., Ltd.

K/D metal table and chairs, magazine/TV/wine racks, carts, umbrella holders

Founded in 1978, the Show Each Industry Co. is an experienced manufacturer and exporter of K/D metal furniture.

Thanks to its sophisticated K/D furniture design and manufacturing skills, the company's R&D department regularly updates the Show Each catalog's wide array of trendy furniture items, including (1+1) table sets, bar sets, CD storage devices, coffee tables, displays, end tables, hangers, magazine racks, occasional tables and chairs, carts, TV racks, umbrella holders, and wine racks.

The company is confident in the functionality, quality, and durability of its furniture. Its SY-934-1 multifunctional round wine/liquor cart, for instance, is an innovative, three-tier wine-serving utility with a shelf at the bottom and a swivel shelf extension under the top for placing and storing goblets, wine bottles, wine chillers, ice buckets, and related flatware.

The company's uni-block SY-1460A occasional table shows unique creativity, practicality, and minimalist design, with a powder-coated metallic tube pedestal and tempered-glass tabletop (a 15mm-thick MDF tabletop is an option).

The SY-1266W, SY-1266C, SY-540M-WH K/D table and chair sets, with 7mm-thick cushions and tracks on the side for easy folding and opening, are characterized by space-saving and sturdy features.

Already a globally known furniture supplier, the company will burnish its international image even further by participating in the Hong Kong Mega Show 2012.
