

Yang Bey Industrial Co., Ltd.

Banding, strapping and packing tools

Since its inception in 1979, Yang Bey Industrial Co., Ltd. has been dedicated to making packing tools and instruments in Taiwan.

This maker offers a variety of packing tools, including tensioners, sealers, buckles, seals, carton edge protectors, strapping dispensers, cable tie guns, wire binders, stretch film dispensers, utility knives etc., which can be used to handle all kinds of packaging materials such as strapping, tapes, poly bags, labels, pallet films, wire ties, bubble wraps and cartons

Backed by ample capacity, the company can turn out 10,000 units of standard tape guns or 1,500 units of strapping tools a day, also able to fill OEM orders.

Over 90% of the company's products are exported to over 400 customers in some 90 countries, some of which shipped under its own brand YBICO. The maker counts among its customers globally famous enterprises as 3M, Graninger, Fastenal, MIP and Signode, attesting to its solid reputation.

Focusing on R&D, the company has obtained numerous multinational patents on functional innovation and has a solid name as an ODM. Besides, the company willingly helps customers to source other tools, which are shipped with its products.
