

# GU YU

## MACHINERY CO., LTD.

Slitting Line, Cut to Length Line, Rotary Shear Line, Steel (Iron) Sheet, Coil Slitting Machines, Steel Sheet, Coil Leveling & Shearing Machine

GU YU was established in 1993 and co-founded by Mr. Chen Wen-tsan and Mr. Chen Shui-wen. Mr. Chen Wen-Tsan has dedicated to the design and development of slitting lines and cut to length lines since 1986, while Mr. Chen Shui-Wen has devoted himself to the fabrication and testing of slitting lines and cut to length lines since 1988. These two founders complement each other because of the perfect combination of design and manufacturing they possess.

Under the leadership of these two founders, we are constantly innovating and developing models. Our products have been sold all over the world and our quality is highly confirmed by our clients

GU YU manufactures slitting lines to process material thicknesses from 0.1mm to 16.0mm and cut-to-length lines to process material thicknesses from 0.2mm to 25.0mm.

We provide customized service. We offer the best and complete service. This is the goal of our effort.
